Greater Woodbury Kiwanians are making a difference in local communities by supporting these clubs and organizations during March:

***Amelia presented a program on MNT (Maternal Neonatal Tetanus) to our club on March 7th. Kiwanis International is working with UNICEF to raise 110 million dollars by 2015. Amelia asked members of our club to participate in MNT by giving individual contributions. Forms will be distributed to members who should complete them and return them to our Club Secretary, Betty.**

***The Easter Bunny visited the Child Development Center on Wednesday March 27th and there was an Easter egg hunt for the children. Our bunny was assisted by several Greater Woodbury Kiwanians hiding the eggs.**

***The Clearview Key Club is sponsoring a Be Youthful Day Camp for special needs children. It will be held April 6, 13, 27 and May 4, 11, 18. The Day Camp will provide an opportunity for these children to experience much needed social interaction and a chance to develop their motor skills while working at various centers.**

***Carol presented a proposal from Michael William Florist & Greenhouse to us for a new fund raising project. This was followed by Michael speaking to us on Thurs evening March 21st. Carol passed out the order forms and explained the selling process for flats and hanging baskets. The full flats in many colors are begonias, impatiens, petunias, vinca, or marigolds @ \$12.00 a flat. Large geraniums in many colors are \$2.00 each. Petunia hanging baskets are \$15.00 each. These come in many colors also. Orders must be in by April 25th. Pick up date is Saturday, May 4th from 10am-4pm at the greenhouse. You go south on Crown Point Road to the NJ Motor Vehicle, then make the first left after the light (at Red Bank Inn) onto Fowler Road. Michael William greenhouse is at the end of the road.**
