Order forms should be returned to Chip by Friday, November 21<sup>st</sup>. These plants are 6 1/2 inch red, white or pink potted poinsettias for just \$10.00 each. This is a very important fund raiser for our club so everyone should be selling as many of these holiday plants as possible, says Chip. On October 17<sup>th</sup> the Child Development Center was visited by the world renowned Mother Goose aka Ann Fenimore. The children, approximately 18 months to age 3, were delighted. They played finger games and were read several age appropriate books. Fun was had by all. Mother Goose is on her way to Florida, but the next time she is in our area, maybe she will be able to stop by again. P.S. she also presented the class with books for the children to take home.

Dr Jeffrey Adams, Principal of Walnut Street spoke to us at our Thurs evening meeting at Charlie Browns. Their motto is that we are family and we keep love present. His entire program is based on a positive attitude towards helping the youth of our city. He feels their school needs to be a mentor and a champion for their students who may not have the best environments in their homes. The free breakfasts served to all students in NJ is working well at Walnut Street. GALS (Girls, Arts & Athletics, Leadership, and Scholars) program and SAG (Scholarship & Leadership, Althetics, and Gentlemen) program help our youth feel they are respected and loved. This in turn promotes good citizenship and integrity in what they do.

On Thursday, October 25<sup>th</sup> following our meeting at Hollywood several Kiwanis members visited Powell’s Nursery to see their machines working to plant seedlings. We saw their 15,000 poinsettias growing and getting ready for us to take them to our homes in December.
