The Terrific Kids schedule for February is as follows: Tuesday February 15<sup>th</sup> - 9:00AM - Evergreen School Thursday February 17<sup>th</sup> -8:45AM – West End School Thursday February 24<sup>th</sup> - 8:25AM – Woodbury Heights School Thursday February 24<sup>th</sup> – 10"15AM – Walnut Street School

Amelia Kressler held her President's Auction on Thursday, January 6th with George Wagoner as our auctioneer. Everyone had a good time biding on wrapped regifted items.

Claire needs volunteers to help at the Friday, Feb. 4th pizza party at WHS 7:15pm for our basketball team. They play in the old gym and we will set up pizza in the teachers lounge.

The Kiwanis Club of Greater Woodbury presents our annual Spaghetti Dinner on Saturday, February 26, 2010 from 3PM – 6:30PM. The place is Kemble United Methodist Church on 19 South Broad Street in Woodbury. Tickets are \$10.00 for children and

adults. TAKE OUTS AVAILABLE. All proceeds go for our Terrific Kids program.

Please don't forget to email Betty any Community Service hours that you have accumulated this month. If you have articles for the Kronicle, please turn them into Joan by the 3<sup>rd</sup> week of the month.

We thank you for your cooperation!

Kiwanis - We serve the children of the World!!!!! Page 1 (Feb 2010)

Our Division 2 was fortunate to have Teri Bard, Esq., Secretary of the Vineland Kiwanis Club, outline the evening's workshop on Achieving Club Excellence. We met at The Big Apple in Landisville (Buena). Ronda Vrell our past area director from International, and Roy Hedeen, International Area Director of Growth and Education Team were our presenters.

## **Kiwanis Training Workshop (Achieving Club Excellence)**

- Before inviting members make sure the club is stable & there are good things happening to offer them
- $\hbox{- Difference between an excellent \& a good club Excellent clubs are willing to do what good clubs are not}\\$ 
  - Commitment required
- How should members contribute?
  - Attendance at meetings
  - Involvement in events/projects
  - o Enthusiasm
  - Creativity
  - **Outinued** interest
  - o Reliability
  - Commitment
  - o Dues
  - Recruitment
  - o Care about children
  - o Leadership
- What should a club do for its members?
  - o Personal growth

May 10<sup>th</sup> – 2011 Division 1 & 2 Candidates Night

July 7<sup>th</sup>-9<sup>th</sup> - International Convention in Geneva, Switzerland

-----

Dr. Walt Quint spoke to us on January 13<sup>th</sup> on Fort Billingport. This area was settled in the 1690's. When the Revolutionary War began in 1775 the colonists established 13 alarm posts along the Delaware River. Fort Billingsport in Paulsboro, New Jersey was one of these early U.S. forts. The land for the fort was purchased by the Continental Congress on July 5, 1776, the first land purchase made by the United States. The 96 acre site was purchased for 600 pounds. Then an engineer named Thaddeus Kosciuszko designed the fort which was constructed by troops from NJ, PA, SC and VA and completed on August 1, 1777.

The fort had a fleet of small armed vessels and *chevaux- de- fries* to slow the progress of British ships between Fort Mifflin and Fort Mercer. The fort was eventually overrun by 1,500 British troops. The boxes that were part of the *chevaux - de - fries* were made from logs or wood planks and usually contained from one to three spiked poles that were positioned at an angle beneath the surface. Typically, the boxes were 13 to 30 feet high. The devices did not harm friendly ships because their exact locations were carefully recorded. They were placed in the water near Hog Island and Fort Mifflin in an area not far from today's Philadelphia International Airport. On the New Jersey side of the Delaware, the devices protected Fort Mercer, also known as Fort Red Bank, and Fort Billingsport. Colonial loyalists continued to harass the British on land and sea. This was a very exciting time in the history of our country and colonists on either side of the Delaware River played a huge role during the Revolutionary War. We thank Dr Quint for sharing this historical prospective of our local area.

......

The Gloucester County Boys and Girls Clubs was the topic for our January 20<sup>th</sup> speaker. Our County already has clubs in Paulsboro and Glassboro. A new club in Woodbury would fall under the umbrella of the Gloucester County Boys and Girls organization. Ka-Msiyara Corbell, said their mission is to enable all young people to reach their full potential as responsible, caring, and productive individuals in our communities. Their MOTTO is BE GREAT. An average program after school is started with a snack followed by a POWER hour where they do their homework. Adults are there to help if necessary. The term Triple play refers to: mind, body and spirit. Students are taught how to have relationships with peers and adults. This, of course, is a continuing project every day. Student participants are able to play video games and more active games like soccer. Everyone is always given a hot meal. Mentors from the community are always needed to work with these children. The Boys and Girls Clubs include children from age 6 years to 18 years. Programs such as 'Smart Girls' and 'Pathway to Manhood' are also available. Listening to Ka-Msiyara we were able to see what a Boys and Girls Club in Woodbury could be. Amelia, Jeff and George, as members of the Board of Directors, are helping to make this dream come true. Do you have any fund raising ideas? Do you want to volunteer? Please speak to Amelia, Jeff or George and help us make this worthwhile program a reality in our city.

.....

Here is an amazing fact: This year we will experience 4 unusual dates: 1/1/11, 1/11/11. 11/1/11, 11/11/11. Now here is the crazy part...Take the last two digits of the year you were born plus the age you will be this year, the total number WILL BE 111!
