When our Guest Reader for October 5<sup>th</sup> cancelled at the last minute Connie Wagoner (sound the trumpet) filled in at the Child Development Center. What a challenge! The 'listeners' were 6 months to 18 months and they were each learning to walk or to crawl. Connie captivated them with her reading and her impersonation of animals. Ask her to demonstrate how a donkey kicks. Thanks to Connie and our Kiwanis Club each of the children got a board book to take home. Sample title: My Momma is a Lama". It was another fun filled Kiwanis activity.

---

Claire Essig reports that 4 Kiwanians and Jen Kelleher went bowling with our 6 children in St John of God's class on October 5<sup>th</sup> at Brunswick Zone Bowling alley in Deptford. Our next bowling event will be one Wednesday, November 2<sup>nd</sup>.

## AS WE DISCUSSED AT OUR LAST BOARD MEETING

### Kiwanis Kids:

Kiwanis Kids includes three programs for elementary school students between the ages of 6 and 12. In each, the lessons of leadership and self-development are introduced through learning to plan, setting goals, working with others, and celebrating successes. The programs are broken into three components: service, character education, and academic achievement.

K-Kids : A service club for students in elementary school.

Terrific Kids: Character education for children in elementary school.

Bring Up Grades: This program designed to recognize students who raise their grades — and keep them up.

## **Let's Get Started says Alan Penn our Kiwanis International President**

October's an exciting time for all of us in the Kiwanis world. It's the start of a new Kiwanis year, a new administrative year. A time to begin a new year of service, fun and fellowship with our club members.

This year will be our best yet as Kiwanis members. We're not only embarking on a new year of service to our communities, but we have also launched our fundraising campaign for the elimination of maternal and neonatal tetanus. For just US \$1.80-less than the price of a cup of coffee-we can ensure that a child is born without having to endure the excruciating death from their terrible disease. As a fellow Kiwanian has said, "We are the game changers."

The Eliminate Project will be a major focal point of our 2011-12 year. It's the time to begin to raise the US \$110 million we need to save and protect the lives of more than 61 million women and their children in 38 countries. What better calling for our organization than to be known for helping put an end to this disease.

During this year of service to children and families in your communities, I am asking each club to give above and beyond their current contributions and consider setting aside an additional 10, 20, or 30 percent of all funds raised over the next 12 months for The Eliminate Project. In addition, each member should consider joining the Walter Zeller Fellowship with a personal gift of US \$1,250.

When we do our part, we'll all know we made a difference in the lives of mothers and children. The beginning is always an exciting time full of anticipation. I hope each of you is ready for our new year of service. I know I am. Alan Penn, KI President.

**What you need to know**

- 1 We are uniting to make a positive difference in the world on behalf of children. In our first global campaign, we worked to virtually eliminate iodine deficiency disorders, raising and leveraging nearly US\$100 million.
- 2 We are partnering with UNICEF in a global effort to eliminate MNT, a deadly but highly preventable disease that kills mothers and newborns in the world's poorest regions.
- 3 The support of our strong global network of Kiwanis family members at the club, division, district and international levels is essential to conduct a successful campaign.
- 4 The campaign seeks funds in addition to those provided for other Kiwanis service initiatives.
- 5 We will showcase The Eliminate Project at Kiwanis International conventions.
- 6 We will celebrate success in 2015, the same year as Kiwanis International's 100th anniversary.
- 7 A successful campaign will raise Kiwanis' visibility, grow our membership and strengthen the Kiwanis International Foundation.
